

Rules for DJSS Field (Grade 10/11/12)

1. Match Format will be 11v11 - 10 players plus 1 goalie.
2. All round robin games are two 25 minute halves, with a three minute half time. These may be adjusted by the referee. All warm up to be done off the field. Please respect this as we are limited by sundown.
3. Please make sure that players use their own water bottles. Do not encourage sharing of this item.
4. Shin guards are mandatory.
5. Offsides will be called by the head official (no lines men), so please respect their decisions.
6. If a player receives a red card, it's at the referee's discretion whether the player will be suspended for the next game or longer.
7. Round Robin games end in a tie. Play-off games on this field will go to a five minute sudden death game. This will be immediately followed by a shoot- out. Please pick your kickers quickly. If after five kickers for each team, the score remains tied, sudden death penalty kicks will commence with different shooters.
8. Please keep the field and benches clean, and use the garbage cans provided. If necessary, please dispose of your garbage in the red garbage cans.
9. The tournament whips for this division this year are Peter Beaton & Jordan Wheeler. Please see any of them for any questions that you may have.
10. Rayna Hayes is the statistician and will be collecting results in the library area at DJSS. If coaches have questions about standings, they need to see Jacquie or Rayna.
11. **Respect of officials and the tournament organizer by players, coaches, and parents is imperative.** NWT Soccer Association continues to provide referees. Their job is to help games progress smoothly.
